Cotton Steady — Breadstuffs Quiet — Consols 95 3-4@95 7-8.

The steamship Vesta, Capt. Brown, Jas., from Liverpool, Queenstown, Feb. 23, Queenstown, from the 24th, and Holyhead, March 4, arrived at this port last evening.

On the 23d inst. the Commissioners of Bank assessment met for the purpose of fixing the rate of assessment for the ensuing year. The Governor and Company of the Bank of England will probably make application to Parliament to be relieved from the payment of the assessment, which they have hitherto paid, and consequently it is said that the Directors would decide to make it an understood way—a thing which the Bank Directors, evidently willing to do with.
